

MUD SUCTION AND DISCHARGE

300 PSI / 20 BAR

MADE IN ITALY

TechnoFlex MUD Suction & Discharge Hose - 300 PSI / 20 BAR

Specifically designed for offshore drilling and other demanding applications where longer hose lengths and fewer connections are essential. Built for superior performance, it delivers higher working pressure and exceptional durability in harsh environments. The rugged outer cover is resistant to weather, saltwater, sunlight, and oil, ensuring extended service life and reliable operation in the most challenging conditions.

- **Temperature range:**
 - -30°C to +80°C
- **Reinforcement:**
 - High multiple textile piles with dual helix steel wire with ANTI-STATIC.
- **Tube:**
 - Black high grade of oil resistant Nitrile(NBR)
- **Cover:**
 - Black abrasion, oil, weather & ozone resistant Neoprene(CR)
- **Standard length:**
 - 30m /60m
- **Safety Factor:**
 - 4:1
